

Antonoil Holds Successful Reverse Roadshow in Beijing

On June 10, 2011, Antonoil (the “Company”) successfully held the 2011 reverse roadshow at its headquarters in Beijing. On that day, more than 10 research analysts from financial institutions, including China International Capital Corporation, Credit Suisse, CITI, Royal Bank of Scotland, BOCOM International, Yuanta Securities, China Merchants Securities and First Shanghai, in Hong Kong, Beijing and Shanghai attended the events. The analysts have engaged in sincere communications with the Company’s management.

The Company was pleased to invite Mr Chen Weidong, chief energy researcher at China National Offshore Oil Corporation (CNOOC), to offer the analysts a presentation on the current situation and development trend of the global energy and oilfield services market. Later, Mr Zeng Bin, Senior Vice President responsible for Antonoil’s domestic marketing business in China, and Mr Ma Jian, Executive Vice President for the Company’s international marketing, introduced the business expansion in both domestic and international markets, especially with regard to the natural gas sector. After that, the Company’s CEO Mr Luo Lin hosted a seminar which brought a deepened understanding of Antonoil’s current status and future development plans to the participating analysts.
